

GEORGIA HIGHLANDS COLLEGE

STEM CAMP

WHAT: A week long summer adventure where children are immersed in imaginative activities that reinforce and supplement Georgia Standards of Excellence for science, technology, engineering, and math (STEM). Children will work together to seek innovative solutions to real-world problems and sharpen critical 21st century learning skills as they rotate through four modules each day that disguise learning as fun! Local educators will facilitate program modules, and enthusiastic GHC students will serve as counselors – ensuring that one staff member is in place for every eight children.

WHEN: June 4th-8th from 8:00AM-4:00PM.

WHERE: Georgia Highlands College - Cartersville campus

WHO SHOULD REGISTER: Currently in grades K-5

COST: \$149

Here is how young innovators will be spending their time:

Brainstorming ideas and building prototypes to solve problems using Spheros!

Learning computer coding basics and creating their own animated video!

Customizing their own robotic Battlebot!

Using tools to build components of a futuristic city!

And MORE!!!

Space is limited, so visit <https://www.highlands.edu/ccpe/STEMCAMP> to secure your child's spot today!

Every registration includes a complimentary t-shirt. Please contact Merry Clark at mclark@highlands.edu with questions.

Together, we can inspire the next generation of great thinkers, problem solvers, and innovators!
